RECRUITING

Competing for Frozen Four appearances year after year starts with recruiting elite talent. Ridder Circle provides critical support for the coaching staff to travel both domestically and internationally, building relationships and securing world-class student-athletes who will carry the program forward.

TEAM BUILDING

Ridder Circle supports opportunities for the team to connect off the ice, strengthening relationships and fostering a culture of trust and unity that translates directly into success during competition.

EQUIPMENT & TECHNOLOGY UPGRADES

Ridder Circle plays a key role in advancing the program through upgraded equipment and technology, providing student-athletes with the tools and insights needed to continually improve and compete at the highest level.

COMMUNITY OUTREACH

Gopher Women's Hockey is committed to making an impact beyond the ice. Student-athletes actively participate in community service initiatives, giving back and building meaningful connections with the fans and communities that support them.

GAME DAY EXPERIENCE

Your support enhances the student-athlete experience on game day, both at home and on the road. Ridder Circle helps fund improved travel accommodations and pregame nutrition, ensuring the team is prepared to perform at its best.

Support Women's Hockey as we continue to go wear the Maroon and go for Gold
