

# THE Champions FUND

*Building a championship program requires investment at every level - student-athletes, coaches, and fans.*

**M** The Champions Fund donor community is dedicated to creating change in our women's basketball program by providing our student-athletes and coaches with championship-level resources.

- Champions Funds donors commit at least \$50,000 to support Gopher women's basketball
- Each member of this community is part of our women's basketball program, with many exclusive points of access to our coaches, student-athletes and behind-the-scenes experiences.

**M** Champions Fund investments help deliver championship-level support.

- Recruiting: Equipping our coaches to build lasting and meaningful relationships with top recruits to ensure future Gophers are the best talent and the best people.
- Storytelling: Sharing the unique story of our world-class University and urban campus, as well as the rich history and bright future of Gopher Women's Basketball.
- Program Development: Developing one of the country's most comprehensive support programs to help every Gopher not only become an outstanding basketball player, but also fully develop their potential as students, as citizens and as leaders.
